- Ministry Description

Mission Quest is an evangelical 501(c)(3) missionary service agency that was established by a group of missionaries who either have served or are serving in various mission fields for years. Our vision is to see God glorified by the obedience of His people and their commitment to fulfill His commission by making His name known among the nations (Malachi 1:11; 1 Chronicles 16:24). Our heart and mission statement is to provide our missionaries with a dependable home office that processes their donations and handles all the logistics involved in raising funds for their ministries. Our values can be summarized in this statement: We are a God-glorifying, Christ-centered, Gospel-driven, missionary service organization that was established by missionaries for missionaries.

All our ministry is built on a biblical basis driven by our obedience to God's Word. We serve our missionaries with the partnership and the leadership of their local churches. Missionary donation processing is a crucial aspect of any mission effort.
